## Sweet, Little Thing

Dear Virgin Territory,

Great job with Jennifer's hardcore layout in your Jan. '15 issue. I think she is one of the cutest, youngestlooking girls you've featured. And the fact that she is so tiny is the cherry on top. The photo of her looking up at the camera while sucking cock is classic. Such a sweet, little thing! I can tell she had a hard time taking such a big cock (no pun intended.) Maybe she would have any easier time with my average-sized cock! There's one thing that's for sure–my load for her was anything but average. Hope to see more of her soon.-O.R., Sacramento California

Dear O.R.,

Jennifer is actually in a solo pictorial in this issue, beginning on page 77. And you'll be seeing some new, exciting hardcore of her soon, too!

## **Panty Party**

Dear Virgin Territory,

Your magazine just keeps me cumming time and time again. I get so creamy excited when I know that I've won these beautiful girls' panties. I show them off to ladies that

I pick up in my car while I'm out cruising. I hang these panties I've won on the rear-view mirror inside my car. A black lady I was with saw Kaci's panties hanging from my mirror, and she took hers off and ordered me to sniff them. I sniffed her panties while she jacked me off. She sucked my dick and I had her panties wadded up in my mouth.

I just recently picked up the Holiday '14 issue and I was blown away by Abby. I loved watching her get fucked in the butt. I was just with a girl and finger-fucked her asshole and licked my fingers afterward. You can keep this up because I love assfucking. I love watching girls and MILFs getting fucked in the ass, and I like getting fucked in the ass, too. Kaci is one foxy little mama. I'm starting to get a collection of these girls' panties. I love looking at Kaci's pussy spread wide open. The pictures of Kaci on pages 41 and 42 of the Holiday '14 issue were great. I want to lick her pussy and asshole like a mad man.-B.H., Dyer, Indiana

Dear B.H.,

We're glad the panties you've won are getting put to good use. Keep sending in your submissions for panty giveaways.

#### **Beautiful Alaina**

Dear Virgin Territory,

Thanks for giving me a new teen to love in your Jan. '15 issue. Alaina is a sweet, little wet dream. She is beautiful. That's what the name Alaina means; I looked it up online. She is so young-looking and goodlooking. She is eye candy. I like that she shaves her pussy and legs. We can't have hair down there in her very special area. She's always ready

to fuck. Does that mean she will do hardcore for your magazine in a

cock and getting jizzed on would be great.-J., Green Bay, Wisconsin

Dear I.,

Alaina does hardcore for us in this issue. (For guys in the UK it's softcore.) Turn to page 44 to see. You can also see her fuck in Flat & Fucked 7, which you can order on page nine.

## At the Car Wash

Dear Virgin Territory,

Ever since I lost my virginity to the school slut at a car wash, I have always loved photos and videos that take place at or around a car wash. So I was very happy to see Marley in your Jan. '15 issue. The second I saw her with the hose in her hand my dick stood up at

full attention. She kind of looks like the girl I lost my virginity to, but hotter. I like her perky tits and the big photo of her on page 60 where she's all sudsy and spreading her pussy. I jacked off to her pictures and imag-

ined her riding me in the back of my SUV. Speaking of which, my car is dirty. I think I need to take it in for a wash.–D.R., Santa Fe, New Mexico

Dear D.R.,

Sounds like a fun way to lose your virginity! Here's another photo of Marley to give you more pleasant memories.

## Step Up the Schoolgirls

Dear Virgin Territory,

Thank you for locking Ava out in the March '14 issue, but I did want to see her pee and was not happy that she didn't. I saw the letters from J.H. from Aberdeen, South Dakota and J.H. from Dayville, Connecticut in the July '14 issue about not being able to show pee. But you did run a pic of Natalie in the Oct. '13 issue on page seven and there was pee in that pic. And what's going on with all the tattoos just like reader K.C. from Fort Lauderdale, Florida from Dec. '14 said. I too may be a younger reader;

I'm 32. I don't really care
about tattoos just as long
as the girls don't end
up looking like pornstar Bonnie Rotten.
I really like
Ashton from April
'14 and her cum
shot pic. I love El's
pics on

pages 75 and 77 from Sept. '14. I'm also loving all the Japanese girls. I like Mari the best. Love her bush. Then second would be Yui and third, Mai. I would like to see them in hardcore sets. I would like to tell you the back to School issue is the one I look forward to all year, but the Oct. '14 issue was not very good. I like all the girls in that issue but they should be in school uniforms or cheerleader uniforms. Risa, Ava and Heather had good hardcore sets but crap cum shot pictures that were too small. But Maci had a good cum shot pic, so Oct. '14 gets a C-. You must do better.

I like Naughty Neighbors mag too and wanted to ask if we could see Tigra from the Holiday

'14 issue in 18eighteen. She is very sexy. I love her pic on page 23, and ask her to grow a big red bush and do hardcore. 18eighteen will always be my number one wank mag.-J.M., Falkirk, Scotland, United Kingdom

Dear J.M.,

The pee picture you saw on page seven in the Oct. '13 issue actually got that issue rejected in New Zealand, so we don't show urination in the magazine anymore. We're sorry you didn't like the Oct. '14 Back to School issue, but we'll try to make up for it this year with lots more schoolgirl outfits. And as for Tigra, here's a bonus photo for you!

### **Something About** Chloe

Dear Virgin Territory,

My breath was taken away when I saw Chloe again in your Jan. '15 issue. She truly has that je ne sais quoi. There is just something about her very essence that is so sexy. For one, she really knows how to make love to the camera. Chloe shines in her photos. She pulls you in and poses in such sexual, inviting positions. Out of all the photos in that issue, the ones on pages 30, 31, 32 and 33 are the best, in my opinion.

The bottom photo on page 30 is an excellent spread pussy shot, and her love hole looks so pink, tiny and delicious. As for the photo on page 30-wow. So simple, but so sexy and wanton. She is totally open and inviting, almost as if saying, "Come here and eat my pussy, please." And the final photo spread out on pages 32 and 33 is what earned my cum. We can see every inch of her luscious body, and the expression on her face seals the deal. What an incredible girl this Chloe is. Truly one of your finest teen girls.-R.F., Bloomington, Indiana

Dear R.F.,

Chloe is a great model who knows how to pose in just the right way to get you off. In case you missed her first appearance, she was also in the Jan. '14 issue, which you can order on page 11.

## All Natural

Dear Virgin Territory,

Kimber from your Jan. '15 issue turned me on. I like it when girls don't wear any make-up. Natural is best. Her rosy cheeks and bright hazel eyes don't need anything else to enhance them. Make-up can never top the flawless complexion of youth. Kimber is a naturally pretty girl, and she knows it.

What really took her over the top for me was her gorgeous pussy. It's shaved so nice, and those tiny lips of hers are perfection. My mouth waters just thinking about it. Please show more of her, and bring her back for hardcore action.-J.B., via email

Dear J.B.,

Sadly, Kimber didn't shoot XXX with us. But if you'd like to see more of her you can order the Jan. '15 issue of

Naughty Neighbors online at eboobstore.com.

## **Foxy and** her piano teacher make beautiful music together!

But the sounds aren't coming from the piano (unless you count the cacophony of clanking keys being played by her bouncing ass). No, those magical sounds are coming from Foxy's mouth as she moans and coos while a big cock gives her exactly what she needs-a good, hard cum. This Russian beauty's hairless pussy and asshole are pristine and her craving for sex is through the roof, making for some very spankworthy photos.

self at him right there in coach. The wedding ring on his finger? Hadn't dissuaded her. They'd landed in Mexico with her asking him where he was staying and if he'd be on the beach that night. He'd smiled and given her the name of a hotel. A hotel that, not surprisingly, didn't exist.

That incident had been enough to send her into the bathroom, allegedly to shower. But Daisy had seen the vibrator disappear into Heather's bathrobe. Half an hour later, she was still in there.

Just like she was now. When Daisy knocked, telling Heather to hurry up so they could eat, Heather told her to come on in, she was almost ready. Daisy did, and even though she tried not to look, it was hard not to use the mirror to get a glimpse behind the shower curtain.

The tub stood by itself, big enough to fit four, according to the brochure. Something they'd joked about, but Daisy doubted would happen. Not that Heather wasn't attractive. She was. She was only a couple of pounds heavier, and her boobs were the beneficiary. Heather sported a full B cup, and while that also gave her some hips, she had nice proportions. Seeing her sitting on the edge of the tub, the vibrator buried in her pink...Daisy couldn't deny it. Any guy who could get past Heather's desperation for dick was going to have himself a helluva good time.

Daisy looked away when she heard Heather's breathing, wanting to finish before her friend came. True, it wouldn't have been the first time the pair had experienced orgasms around one another. Daisy had bought Heather the vibrator she was now using, in fact. Still...the tingles she got down there whenever Heather was getting off? They made her feel weird.

Like now. Daisy didn't need to spend this much time in the bathroom...but she managed to. Luckily, Heather never opened her eyes. Now that would have been uncomfortable. Daisy wondered, though. Why wasn't the curtain closed all the way? Did Heather maybe know Daisy was watching?

Nah, couldn't be. They were best

friends. She'd know. Wouldn't she?

They were both straight, there was no doubt about that. Daisy had been with two guys already, although she wasn't currently seeing anyone. And sure, she and Heather had gotten off in front of each other a couple of times, but it wasn't like, a regular thing. They'd both christened the vibrator on Heather's birthday, and since then, they'd traded off on a lifelike dildo Daisy had bought online, but it wasn't like that made them lesbos or anything.

Right?

She shivered. was biting her Heather was bucklower lip, legs ing her hips. Daisy spread, the plastic cock couldn't stop buried so deep in her staring. It reminded her of that first night, with this same fuck-toy. How Heather had finished, and rushed off to the bathroom. Thighs smeared, fingers sticky. Daisy had giggled, remembering her first time with a practice-prick. But then she'd felt the wetness seeping through her panties. And there was the vibrator, sitting on the dresser.

She remembered picking up the vibe. Sniffing it...

And then sucking it.

Daisy's legs were pressed together so hard it hurt. She took one last look in the mirror. Heather was biting her lower lip, legs spread, the plastic cock buried so deep in her twat Daisy couldn't even see the twistyknob at the bottom.

"I'll meet you downstairs," she croaked, scurrying from the bathroom. She was already dressed, but stopped by her suitcase.

A fresh pair of bloomers was definitely in order.

> he afternoon was going as expected, unfortunately. No doubt,

she was looking to get a little, too. But Heather...Heather was a mess. They'd just returned to the cabana to re-apply their lotion when Heather

plopped down in her lounger and held up her glass.

"Pina colada. Virgin, of course. Just like me."

Daisy didn't have the heart to tell her to give it a rest, even though Heather was making the trip miserable. She was trying to think of something comforting to say when a knock sounded and Roberto poked his head in.

"Refills, ladies?" he asked, flashing them a smile. So far, Roberto was the

highlight of the trip. He was on top of everything,

including their cabana, which was small,

but much nicer than they'd expected. The fan worked great, the docking station had great sound, the ice bucket was always full...Daisy was pretty sure her dad must've tipped him in advance.

"No thanks," grumped Heather. Daisy rolled her eyes. Roberto gave her a sly wink.

Guy's probably seen it all, she thought, rummaging for the oil.

"Bueno," he said, backing out. "If there's anything else I can do for you lovely ladies-"

"Like getting me laid?" Heather said. "I'll remember you before we leave, promise."

"Heather!" Daisy exclaimed, turning to face her. She'd only said it half-heartedly, but sank deeper into her chair, mortified.

"I'll...do what I can, ladies," he said, and was gone.

"Are you crazy?" Daisy said, squeezing way too much lotion into her hand. "Why don't you just stand out on the corner tonight outside the hotel? I'm sure that would work!"

She wished she hadn't said it. Heather looked like she might cry.

"Here," Daisy said, backing off. "Unzip your suit, I'll get your back."

Heather did, turning away. Daisy started rubbing in some lotion. A song they both liked started playing. Daisy felt her starting to relax. She was

## Is taking on a huge cock something that you want to try?

"Well, I am curious. Girls always make a big deal about how great big dicks are. I want to see for myself. I'd also like to master the art of deep-throating a big dick because I think it's hot. I think my mouth would probably be able to handle a big one before my pussy could. I have a pretty huge, life-like dildo that I play with for practice. I can barely get it past my pussy lips even when I'm super turned on, but if I suck it I can get it to touch my tonsils."

#### We love redheads, Alice! Why don't you grow out your bush?

"Because everyone shaves their pubes these days. And a lot of guys think bush is nasty! Plus, I was always self-conscious about having red pubes. People used to tease me about it and call me fire crotch. So I shaved everything off, and I think I like it better this way. Shaving makes it smell better and feel softer. And no hair is in the way when a guy eats me out."

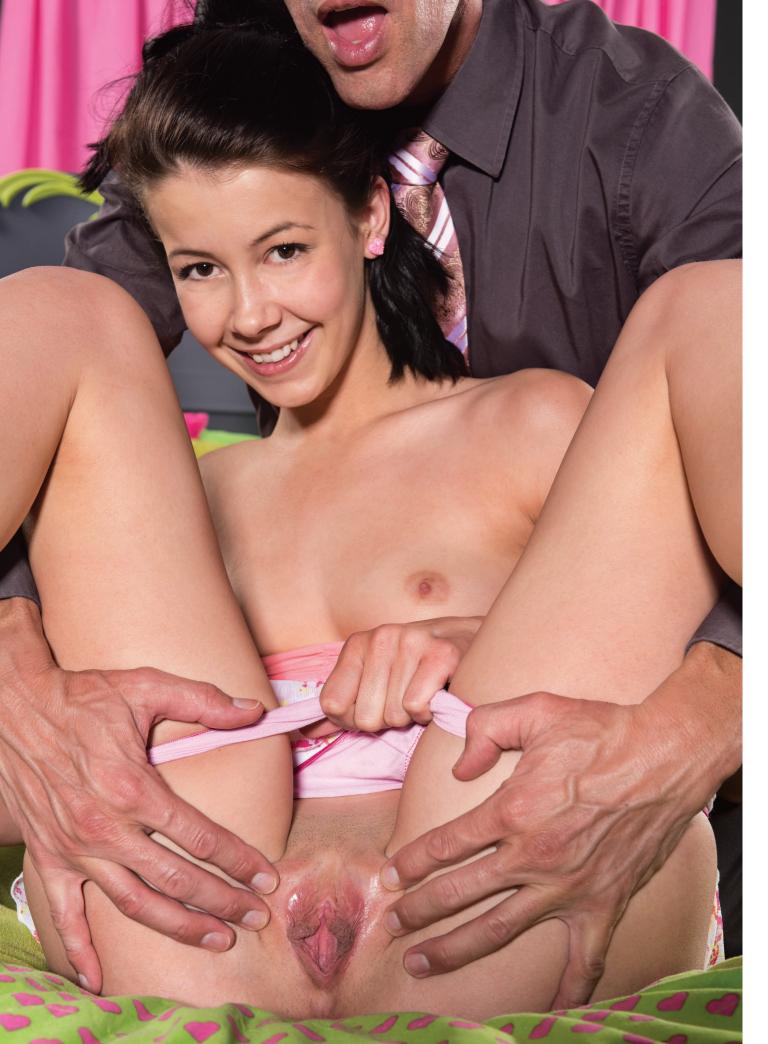

### There's nothing like a fresh 18year-old who is new to sex!

Alaina has everything that a teen-lover wants. The flawless, smooth skin of a young girl. Tiny tits that flatten to perfection when she lies down. A smooth, hairless twat with meaty lips. Even though Tony here is older and has experienced tons of pussy, he can still appreciate and savor every inch of Alaina's body, as he should. Alaina is just learning how to fuck, but we don't mind. That means we get to watch her learn to love cock on-camera. So far she enjoys getting her tight slit pounded and getting loads of cum on her chin. That's a good start! "I just hope that I was good enough!" she said after her scene. Based on that rockhard cock and big load, it's safe to say that she was more than good enough. about to say something when the door to the cabana opened, and Roberto stepped in.

Daisy and Heather's jaws dropped. Roberto wasn't wearing his resort tshirt. Or his deck shoes. Or his white linen pants. Instead, he had on a pair of rather snug-fitting workout shorts. Very snug.

"Enrique will cover for me," he explained. "That is, if you'd still like me to take care of you?"

Daisy wasn't sure, but she would've sworn on a stack of bibles that in the last thirty seconds, Roberto's bulge had grown a full inch-and it had been pretty impressive when he'd first walked in. Heather took one look at the outline of Roberto's throbbing cock and swung around, her bathing suit slipping further down her chest. Daisy could see the tops of her luscious nipples, hard and ready. Roberto didn't hide his interest, encouraging Heather to get out of the lounger, pulling her suit down all the way to her waist. The hard-on he was sporting looked enormous.

Heather's arms were around his neck, pulling his mouth to her swollen bud. It was so fat and so dark, Daisy thought it might pop. Roberto's tongue dragged across it, his hand digging into her suit, fingers going straight for her bush.

The whole thing–from Roberto knocking on the door to Heather's suit dropping around her ankles–had taken place in about thirty seconds. Daisy was still sitting in her lounger, the tube of lotion still in her hand. Then, adding to the surreal scene, Heather started to cum.

Daisy knew it was happening. After all, she'd seen Heather cum before. Plenty of times, now that she thought about it. Was that kinky? She wasn't sure. She'd never heard other friends talking about it, even about their bestie. But she put that aside, feeling the spread of warm syrup leaking into her bikini bottom.

## How does an innocent farm girl end up spreading her pussy for the camera?

"First of all, just because I was raised on a farm doesn't mean I was innocent! I used to have sex in the barn and do all kinds of mischievous things. I was always naughty, and that's why I knew I had to get out of Wisconsin. I've always been a very sexual and horny person. Anyone who really knows me wouldn't be surprised to find out that I took professional nude photos."

#### How do you like living in California?

"It's great! I love that it's always warm and sunny and I can usually wear skimpy clothing. I like to show a lot of skin. That's why those winters back home were terrible. I hated being bundled up in tons of sweaters and jackets and scarves! I don't think I ever want to see snow again. But anyway, there are also so many good-looking people out here; I can't believe it. I never have a shortage of cock to choose from. Basically, my life is great. I get lots of sun and lots of sex!"

#### We just have to tell you that we love your big pussy lips.

"Thanks. I used to wish they were smaller and my boobs were bigger, but I got over that. I like my body the way it is, and so do plenty of guys! Big pussy lips are fun to play with and my little tits can fit perfectly into a guy's mouth. And even if someone isn't a fan of big pussy lips, there's no denying that a tight pussyhole is awesome, and mine is definitely tight! I mean, we can't all walk around having super tiny pussy lips. There would be no variety if all girls were like that, and what fun is that? Plus, there's nothing hotter than seeing my lips wrapped around a cock-both pairs of them!"

#### The last time you were here you'd only had sex twice. What's your number now?

"I've lost count. Probably somewhere between 10 to 20 times. And every time it keeps getting better. Maybe it's just in my head, but I think you can tell by looking at me that I've been getting some good dick. I'm always walking around with that post-sex glow and a big smile on my face. That's what a bunch of good orgasms will do to you! My friends keep saying I look different but they can't figure out why."

## Has your pussy gotten more sensitive?

"I think so. I can cum more easily now. One thing is for sure, it's definitely more wet, even when I'm not doing anything physical! I always have to keep an extra set of panties with me because my pussy will get absolutely soaked! It's like it knows I could get fucked at any time so it stays wet just in case. My pussy has the sex sense!"

Should she leave? Was it cool to just sit here and watch her friend get banged? Should she sneak out and walk to the beach and hope nobody saw the dark stain in her suit bottom before she got into the water? Would anyone notice her fingering her pussy if she went out deep enough? It'd have to be pretty deep. Her nips were screaming: Horny! That's me! Anyone got a dick they want to share?

No, that wouldn't work. The water here was crystal clear. You could see all the way to the bottom even if you were on one of the boats that cruised around, showing tourists the sights. What was she supposed to do? Her pussy was on fire!

Roberto might not have figured out that Heather was gushing into his palm because she was already get-

ting off, but he got the message that she was as ready as any girl had ever been to shoot around third base and head for home. He lifted her off her feet, kicked aside her damp swimsuit, and guided her onto the lounger, flashing

Daisy a wicked grin.

"You're not thinking of leaving, are you?" he said, as if able to read her mind.

"Enrique? He's my cousin. He'll cover

for me as long as it takes."

Roberto couldn't see it, but behind him, Heather was nodding up and down, holding up her hands about eight inches apart.

Daisy nodded, and shifted on the lounger. Her suit squelched. Her lips were outlined like she'd drawn them with an eyebrow pencil.

Roberto turned back to Heather, who was pawing at his bulge like a kid who thought they were holding the Christmas toy they'd begged for; they just had to unwrap it. Heather wasted no time in her unwrapping, yanking down their cabana boy's shorts and exposing Roberto's mon-

strous cock.

She

was breath-

ing hard around

his cock, and Daisy

could tell she was

on the verge of a

second orgasm.

"Is-is that going to fit inside of me?" Heather blurted, drawing a laugh from her worked-up companions. Daisy reached behind her back and undid her top, letting it fall away. While she didn't have much going on upstairs, Roberto didn't seem to mind, reaching over Heather and running his rough thumb over her small bare boobs.

"Nothing phony," he said in heavily-accented English. "I like that."

Heather, who'd already lost out on a couple of guys to big-titted stripper types, squealed, grabbing hold of Roberto's turgid meat.

"Easy, chica!" Roberto chuckled. "I'm not going anywhere!"

Heather was, though. Going down. She got on all fours and wrapped her lips around the head of his dick, slurping away at it like it was ice cream melting down the cone.

Clearly, Heather's heightened enthusiasm wasn't nega-

tively impacting her virgin cocksucking.

She had a hand wrapped around Roberto's thick shaft, jacking his pole while she tried to swallow the rest of him. Daisy wasn't sure if Heather was trying to suck the jizz out

of him so he wouldn't have to wear a condom when he finally slammed it in

her box, or she was so taken by her first experience that her brain was stuck on: suck.

Daisy met Roberto's eyes again. Sure, she'd given head and let Steve Clarke take her cherry a few months back. But she'd never participated in a three-way, and while she had some thoughts-some really naughty ones at that-she wasn't sure what she should be doing. Not that watching Heather give her first blowjob wasn't pretty fucking hot...

Roberto gestured with his chin. Daisy wasn't sure what he was motioning toward. Or maybe she was, she just didn't know about going there. Roberto, though, planted his

hand on the back of Heather's head, generating a purr of delight, and made the gesture again. Still struggling with the idea, and desperate not to get it wrong, Daisy pointed, first at Heather, and then down at her own, naked muff. Roberto grinned wide, and nodded. Then he held up two fingers, and wiggled them.

Daisy gulped loudly. Heather might have been so horny she was willing to fuck anyone who gave her the time of day, but letting Daisy touch her? Down there?

Roberto made a raunchy hand gesture that was, in a word, unmistakable. Then he gave her a thumbs up. Heather had about six inches of his rod buried in her mouth, probably tickling the back of her throat. She was breathing hard around his cock, and Daisy could tell she was on the verge of a second orgasm.

"Who would know?" Said a little voice in her head.

Daisy doubted Heather would tell anyone, ever. Well...probably wouldn't. And even if she did...

Fuck it...

Daisy slipped in behind her on the lounger, her legs dangling over the side. Heather's ass was angled so that Daisy was staring right into her brown-eye. As well, she could see the upside down vee where Heather's lips were spread, and the droplets of snatch gravy oozing out of her untested fuck tunnel. Roberto wasn't watching any more. Instead, he had his eyes closed, concentrating on Heather's noisy oral.

"She's your best friend," said the little voice. "She'll be okay with it..."

Daisy wished she could be sure, but it wasn't like she was going to ask. She worked up her courage, put her left hand on Heather's ass, then shoved her middle and index fingers into her cunny.

Heather howled in surprise, although with her mouth jammed full of dick like it was, it came out more like "Hwramaharam!" But she didn't stop sucking. She didn't look back, aghast at what Daisy was doing. She didn't pull forward so Daisy's fingers would come out of her. Instead, she thrust back, clamping her muscles

#### Welcome back, Jennifer. The last time you were here you took on a huge cock.

"Yes, that was my first huge cock. I had a lot of fun fucking it, even though it barely fit inside me! But I'm not necessarily a size queen. Don't get me wrong; big dicks are great. But I can definitely appreciate the smaller ones, too. Being so little, I don't need a really huge one to get me off. And actually, what gets me off the best is really good oral. Now that is something I will be picky about it. You gotta know how to lick it!"

and shaking her ass from side to side.

Daisy and Heather had been BFFs since 4th grade. Most times, they knew what the other was thinking without having to say a word. And right now, Daisy knew that what Heather was thinking was, Do it, Daze. Stick your fingers up me and make me cum!

So that's what she did. She fingerfucked Heather while Roberto reached down and began playing with her stiff nubs. Daisy could've counted it down out loud, but didn't want to give him the wrong idea.

Three...two...one...

Heather exploded. She threw herself back so hard, Roberto's dripping penis flew out of her mouth, leaving a streak of saliva and pre-cum across her cheek. She shrieked, coating Daisy's hand with her slit drippings.

Roberto saw the opportunity and took it. While Heather was still grinding her cunt into Daisy's fingers, he grabbed hold of her sweet ass and threw her down on her back, pulling her sticky thighs apart and aiming his torpedo at her fuckhole.

"What do you say, Heather-r-r-r?" he said, rolling his Rs. Daisy wondered what it would be like to have that tongue rolling over her tingly clit. Heather reached out, and grabbed Daisy's hand. Her grip was like iron. She nodded at Roberto, but she was looking at Daisy.

"You get 'im, girl," Daisy said.

The orgasm-howl from moments ago was nothing in comparison to the moan that Heather let loose when Roberto's man-thing split her lips and disappeared into her dick-deprived vag. Despite her desperation, Roberto still looked surprised at meeting the resistance from her cherry.

"Fir-r-rst time, eh, mama?" he confirmed...before driving through it and turning Heather into a puddle of human butter.

Daisy's hand went numb five minutes into Roberto's twat-pounding. Heather's knuckles were white, and she was shaking the lounger so much

Daisy thought it might vibrate into another dimension. Tears were streaming down her face, but Daisy knew that while taking a dick the size of Roberto's for the first time might've been a little painful, Heather wasn't feeling any ill-effects from having her box filled to capacity.

Roberto pushed himself up, and nodded for Daisy to come closer. He took her hand, brought it to his lips, then proceeded to suck it dry.

"Ahhh," he beamed. "La chica es like sugar!"

"Ohhh, really?" Daisy said, thinking back to that time with the vibrator. He was right. Heather did taste sweet. Their eyes met, and he nibbled on the tip of her finger. She wondered what he was thinking.

And then she knew. Just like she could talk to Heather without words, she knew what he wanted her to do. This time, she didn't hesitate.

Daisy turned around, Heather's hand still clutching hers. Like a gymnast, she straddled Heather's upper body, feeling her friend's rock-hard nipples drag along the backs of her thighs. It made her ooze. She looked down into Heather's face, saw the excitement. Didn't need to ask if this was okay or not. It wasn't just okay-Heather wanted it.

Daisy fit her slot against Heather's tongue, the pressure on her button sending shivers up her spine. Heather ate her like she'd been thinking about it for some time. Daisy, who was already turned on beyond measure, felt an orgasm starting to build.

She wasn't alone, either. Heather, who'd already creamed once around Roberto's fuck stick, was rapidly approaching another one. The towel under her was soaked like she'd just stepped out of the water.

"Te gusta, Heather-r-r-r-r-r?"

"Mm-hm!" she gasped, finally letting go of Daisy's hand. She fingered Daisy's outer folds, pulling them back to zero in on her gooey center.

That time, they came together, Daisy throwing her head back and crying out as she rode Heather's face to a climax that nearly short-circuited her nervous system. When Heather came, her mouth glued to Daisy's

snatch, it sent spasms through both girls, and a wave of cum running down Heather's chin.

"C-c-c..." Heather began, unable to get the words out. Daisy wasn't helping, playing with her titties the way she was. But, she tried.

"What is it, babe?"

Heather shook her head. "C-cantake can't m-m-much more...Gonna...pass out."

Daisy didn't think she was exaggerating. One night, Heather had tried to see how many times in a row she could cum. After about six, she'd curled up on her side, shuddering, the vibrator they'd been sharing buzzing on the floor. She hadn't even been able to turn it off. And, although it'd already come out of Heather's pussy, well, that hadn't stopped Daisy from using it.

Still straddling Heather's chest, Daisy looked back at Roberto. Their cabana stud didn't seem on the verge of shooting his load just yet. She looked down at Heather, whose eyes were practically rolling back in her head. She was toast.

But Roberto...He'd been so good to them. Daisy couldn't imagine calling an end to things like this. Heather had cum, what? Seven times now? Maybe eight? Plus, Daisy had him to thank for the two she'd enjoyed mounted on Heather's face. He deserved something extra. Something special. She looked over her shoulder at him.

"Slow up, hombre, gimme a second with my girl."

Daisy flattened herself against Heather, whispering into her bestie's ear. Heather's eyes went wide.

"No way!"

Daisy just nodded.

"I'll still let him shoot all over you, though," she promised, kissing Heather. Their tongues met.

"Really? You will?" Heather asked. Daisy nodded.

"You, girl, are gonna be wearing his jizz. And I bet he shoots a ton!"

Heather mewed. Daisy looked back at her.

"Mi chica es terminado," she said, busting out almost all the Spanish she knew. "Pero..." She leaned forward again, and patted her ass. Roberto

gaped at what Daisy was offering.

"Just start slow," she said, resting her chin on Heather's shoulder. Heather hugged her tight. "Back there? I've got as much cherry as my friend here just lost."

Daisy felt Heather's lube, still slathered all over Roberto's fuck muscle. She trembled as he pressed into her tight ring. Heather kissed her, hard and deep.

Or was it Roberto who was hard and deep? Daisy was pretty sure at various times, both of them were. It was a little hard to remember, because a couple of climaxes in, when she lost count, everything became a blur.

> here was a knock. All three looked at one another. Roberto, who

was dressed again, called for the visitor to enter. All Daisy had on were her bikini bottoms, her flat boobs bare. Heather was wrapped in a towel-the one she'd been using to soak up Roberto's load. A slender, cute guy of about twenty stood there. Roberto asked him what was up.

"Nada," he said. "Shift's over."

Roberto looked at the iPod dock. Sure enough, it was six o'clock. Ouittin' time. He told his cousin to wait outside.

"You should get dressed," he said. "We will take you to dinner, me and my cousin. His parents own a restaurant. The food es muy bueno."

"Dinner, eh?" Heather asked playfully. "That's all?"

"Dinner, then we will bring you back to the hotel. Like gentlemen," Roberto promised. Daisy believed they would do just that. But Heather wasn't interested.

"Have you tried the tubs?" she asked, sitting up, her towel falling open. "Do they really hold four?"

Roberto smiled and tilted his head. "I've always wondered."

"We'll meet you in the lobby," Heather promised, pulling her suit back on.

"You good with this?" she asked Daisy, after he'd gone.

"You kidding? I'm dying to know if the tub holds four!"

As it turned out, it did.
